This Erasmus+ Project concerns the acquisition of tools and skills, which will help you in your life after school, as happy Europeans. Mark with an X the aspects / items you consider to have helped you develop in this first meeting.

15 responses

Mark with an X the experience(s) you consider to have been more positive for you:

15 responses

What have you found positive or enjoyed the most about this period of exchange?

15 responses

Breaking boundaries and stereotypes in me.

Meeting new people from different places and learning about them.

The Erasmus+ experience in general, I love it!

friends and trips

To improve my communication skills.

Team work and effort.

The experience and meet more people

Make new friends

Meeting new people and discovering different cultures

I think the most positive thing about this exchange was being able to meet new people and a different culture

The friends that I have made for life and how is importante to experience the differents between each country (people, food, all in general I would say...)

Know and being with persons of another country and culture,

I enjoyed meeting new people from other countrys.

I really liked being with other countries, since we became very close friends of the Portuguese

Meet people from others countries and make friends.

What have you found negative or felt uncomfortable with?

13 responses

Nothing

The organisation of time, the horary from Poland

Nothing negative

nothing

The timetable, I'm not usted to this kind if hours.

Nothing was negative.

What I found most negative was the lack of communication between students of each country

Anything, the experience was memorable

The temperature.

Their schedule.

How do you feel in general at the end of this exchange?

15 responses

Very happy

I feel happy and proud of myself

So sad, because I love Poland and I don't wanna leave this country

happy

Great I've learnt a lot.

Filled with positive energy.

more practice with english and with more general culture

Sad because I miss everyone I met but happy that I had the opportunity to BE part of this project

It was my first time participating on an exchange, and I definitely want to participate in another one in the future! I even feel more motivated to go to school and study

I think this exchange was amazing and it will help me in the future

Extremely happy to be so lucky with the family (and school and country) that received me and the people that I met but sad because some of them I won't see them again

Very happy and expecting to participate in another experience like this

I feel like I want to visit more countries.

I feel very well, I have met different people very nice and it has been an experience

Happy on the one hand because I make friends, but on the other, I feel sad because it's over.
